Aurora To Consider School Debenture

A by-law providing for the issuance of debentures to cover the erection of a new public school will be considered at a special meeting of Aurora council Monday, July 5. The Aurora school board has obtained a suitable tender within the amount contemplated and has placed the matter before council. It is necessary that council give the by-law two readings, then seek the approval of the Ontario Municipal Board before a third reading can be given. Council members have indicated that they think a public meeting should be called again to have all the details explained, and to allow the public to be heard.

Since the by-law of 1946 was approved by a vote of the ratepayers, Aurora taxes have increased seven mills, and there seems little hope of a decreased tax rate in the near future. The erection of a public school with yearly debenture and interest payments would add heavily to the mill rate.

To date no public meeting has been announced and it may be that council will deal with the matter directly or call a special meeting. It is understood from school board officials that once the council and municipal board give their approval, the proposed contractor will be ready to start work quickly.

Loose Smut Shows Heavy In York

While most of the fields of winter wheat are promising a great many farmers are disappointed with the amount of loose smut showing since it headed out. The recent rains and winds have removed much of the blackened mass of smut but it will be easy to detect for a few days yet.

This is the second year the Cornell 595 variety of winter wheat has been grown in York county and the almost total absence of loose smut is remarkable. The agricultural representative, W. M. Cockburn, Newmarket, urges all farmers to check closely on their wheat fields right away and look up fields where suitable seed might be obtained. Names of most of the growers of Cornell 595 have been listed at the agricultural office at Newmarket and lists will be mailed to anyone on request.

In order to secure as wide a distribution as possible of this smut resistance anyone having wheat of this variety should advise the department of agriculture, Newmarket, right away. There are 32 contestants in the 50 Bushel Wheat club and most of these are growing Cornell this year. Last year with the exception of 13th and 20 highest yielding fields were Cornell. This wheat seems to be the present answer to the smut problem and whereas it is not quite as pure as to variety, its straw strength is comparable to Dawson's and its higher yield and smut resistance put it far ahead.

Re-Value Property By 5-Man Board

Newmarket — A five-man board of assessors will take over the job of equalizing assessments in Newmarket and the next assessment of property in Newmarket will be based on these new valuations.

After a warm two-hour discussion at the council chambers on Monday night, a motion was finally drawn up and passed to cover the council's decision on a method of assessing residential and commercial lands and property in town.

A board of five assessors will be appointed; a by-law will be introduced prescribing those who shall act in a full time capacity and a part time capacity. Salaries will be paid to the assessors and they will be given the power to employ clerical workers and such help that is needed.

The board will consist of three men, probably two contractors and a real estate man, who will review the information on buildings and property which will be obtained by two other assessors.

The latter will start work as soon as possible, according to council's decision; they will measure property, marking down all information for each property on a special filing card. On it will be a tentative assessment made by these two assessors and the whole of the information will be discussed by the five assessors.

Council members felt that this was the best system for equalizing assessments. Council has been discussing methods for several meetings. Mayor Vale said that it was important that the job be done as soon as possible and that it was best to have it done by local men instead of hiring a firm of appraisers. All assessors had not been appointed Monday night as council had not been able to contact the eligible men.

It is believed that it will take about four months to complete the new assessments. The assessment of property includes the taking of a complete census of the town.

Youths With Liquor Appear In Court

Newmarket — An increasing number of fines for possessing liquor or using liquor in illegal places are being handed out by the magistrate's court. There were nearly a dozen in court on Friday.

In passing sentences, Magistrate O. S. Hollinrake said, "It is shocking in this court this morning to see so many young men brought up for having liquor in illegal places."

In one case, an 18-year-old boy was given a suspended sentence for stealing minor articles from two Sutton stores. The accused said he had gone to the beverage room with his aunt and didn't know what he was doing when he took the articles later.

"It is unfortunate that parents or relatives permit a boy like this to go in and drink. The articles were of no value to him. Obviously he had no sense of moral value," said the magistrate. Some of the articles taken were women's skirts, socks, a pair of scissors, a butcher knife and a pair of women's shoes.

Another 16-year-old who stole an automobile and damaged it said he had been drinking before he committed the crime. There were at least a dozen offences that involved liquor, most of which were committed by young men or boys.

One offender was charged with illegal possession of liquor at Musselman's Lake. "Worse than inadvertently having an open bottle in a car is openly drinking in a place set aside for recreation," the magistrate said.

Drumhead Service Held At King

King — "Let us cast aside all that is not worthy of the sacrifices our comrades made. Let us go from here, clean in mind and action; let us re-dedicate our lives to maintaining the best thing in life," said Capt. W. E. G. Worrall, padre of Branch 438, King, in a farewell address to district veterans at the annual King drumhead service on the lawn of All Saints church, King, on Sunday. "I am happy to say the Canadian Legion aims and objects are worthy of the time and effort of every veteran, and are playing a real part in Canadian life."

Aurora Legion Plans Field Day

Aurora — The biggest amateur show ever staged in the County will be a feature of the Aurora Legion field day to be held on Friday and Saturday, August 15. There will be three distinct shows, on Friday night, Saturday afternoon and Saturday evening, and finalists will compete in the big show on Saturday night. Prominent judges from the radio and theatre world will decide the winners.

On Friday and Saturday evening, well known radio programs will be heard from the grounds. Entries for the amateur show are being received by George Duffield, Aurora, and there will be classes to suit all competitors. The biggest midway in the history of the district is being arranged and this with a baby show, and many novel events will make the show something different.

The increase is effective August 1. All subscribers, regardless of when their current subscriptions expire, have until August 1 to renew at the \$2 rate for one year, \$3 for two years.

Ants: Ants may be held in check by pouring a small quantity of carbon bisulphide in the holes and plugging them up. This makes a poisonous gas which is heavier than air and works downward through the runs and kills the ants. Another means of control is to moisten sponges with molasses water poisoned with arsenate of lead.

Aphids: Aphids or plant lice cause serious injury by checking the growth of flowering plants. They are all sucking insects and live solely on the juices which they extract from their host plants. Nicotine sulphate (40 percent) preparations, sold by seedsmen, florist brands being Black Leaf 40 and Nicotene, are now generally used for the control of these pests. It is more effective if a little soap is dissolved in the water at the rate of about one

Charter Presented Women's Club

By ISOBEL INGLIS COLVILLE

Newmarket—A dinner can offer many things besides what is on our plates. It can be "a feast of reason and a flow of soul," it can be the scene of a family wrangle or a political debate, and who can say that what is on the plates has nothing to do with the conversation that emerges from the diners. A good dinner has a sort of mollifying effect, whereas tough meat and tasteless vegetables incline one to take a rather grim view of any topic under discussion.

On June 21, the Newmarket Business and Professional Women's Club held a dinner at the King George hotel at which the club's charter and new members were received. But before we go into that, let's talk for a minute of the dinner which was excellent. Turkey with dressing and gravy, potatoes, beans and rolls were served. This was followed by cherry pie, ice cream, and coffee, and while enjoying these creature comforts, one had time to get acquainted with fellow guests or members and find out points of agreement and divergence, which, I suppose, makes up real conversation.

Then the president, Miss Kathleen Peel, called for the toast to the King and after that introduced the speaker, Miss Miller of Sarnia, who came to us from the Canadian Federation of Business and Professional Women's Clubs.

Miss Miller took up back to the inception of these clubs some 20 years ago, and as is the case with so many organizations, it had a small beginning, but as it grew to more and more meet the need for a liaison between its two component parts, it grew into a federation of all the clubs across Canada.

Its aims are: To improve the status of women in the business and professional world; to discover and develop those qualities in the members that will enable them to take their full share in public life; to further social contacts between business and professional women; to provide opportunities for hobbies, handicrafts, recreation and other activities; to focus public attention on the post-war work of women; to provide a non-partisan, non-sectarian base for co-operation.

Miss Miller stressed the need for furthering all ways of bettering community interests, and to be alert to start any project which would add to the general well being of those where the club operates. Miss Miller said that among the members there

should be a feeling out, a reaching forward to ever higher endeavors.

Mrs. Elines conveyed the thanks of the members to Miss Miller for her enlightening and stimulating talk. Mrs. G. M. Peever very gracefully introduced the new members. Miss Miller presented the club charter and instructed the officers in their duties after which the club adjourned.

Two little things struck me pleasantly in addition to an altogether pleasant evening. One was that when the creed was repeated, I found myself repeating something delightfully familiar—it is the creed familiar to all W.I. members, for it is a creed written especially for women's organizations and if lived up to in its entirety, would raise the stature of womanhood to unbelievable heights.

The other was the definite "will to do" which I think is growing steadily among women. This club is just one more effort on the part of women to do their share — and more — in the making of a better world.

GOLDEN GLOW
says

I think I'll have to write another pot pourri this week for there are so many lovely things to tell about that one subject won't cover it all. How Green Was My Valley was showing recently at the Strand and I just can't help thinking of that title whenever I look around at our wonderful green world. Newmarket, for all it is so hilly, is in a valley. You can't get out of town in any direction without climbing a hill. I know, because I used to ride a bicycle in the old days before we had paved roads everywhere.

Aren't youngsters funny, the things they say? A little chap who attends kindergarten was going to bed after spending the afternoon with his grandmother. He had been tinkling the piano and remarked "We haven't a 'pinano' at our house," and his gran said "Some day you will if you will learn to play it." So he said that evening to his mother if he had a piano he'd get some "little black ticks" on a paper, then he could play it. "Little black ticks!" Doesn't that describe written music, little black ticks?

Gardens in Newmarket
Oh, the beautiful, wonderful gardens round our town! I have written of so many, at one time or another, and still there are many, many more I haven't told about. There were so many gardens gay with the early spring flowers, the snowdrops, English violets, the crocus, the tulips and the narcissus. Then came the lilacs—they are still in flower; the late French lilac are now in full bloom and gardens are gay with sweet rocket and beautiful golden lemon lilies. You should have seen Mr. Robert's pansies on the north corner of Eagle and D'Arcy Sts., and the wonderful bridal wreath bushes everywhere. Newmarket is certainly flower conscious! Some folk have whole hedges of bridal wreath (spiraea, many people call it) instead of the old time cedar hedge and it really is a picture!

Should you be going along Church St., look in at Mrs. Ralph Boag's lovely garden, opposite the Friends' meeting house. She has bloom from the first early snowdrops, crocus and scilla till the snow flies. The paving stones lead down to a delightful spot, a real garden of delectable things for a flower lover! And when the garden is a thing of the past, she has one indoors in her little conservatory at the south east side of her living-room. She most decidedly has the "green thumb" for everything she touches flourishes!

Flower Service Hymn
I think I'll just branch off here and leave all the other little items I was going to write about till another time, for I want to copy out the words of a hymn written specially for a children's flower service—the author is unknown, so we can't ask permission, only just a fervent thank you. Here it is:
We thank Thee, O our Father,
For all Thy loving care;
We thank Thee that Thou madest
The world so bright and fair.
We thank Thee for the sunshine
And for the pleasant showers,
And O our God, we thank Thee,
We thank Thee for the flowers.
Out in the sunny meadows,
And in the woodlands cool,
Up on the breezy hillside
And by each reedy pool,
And in the quiet pasture
And by the broad highway,
All pure and fresh and stainless
They spring up every day.
And in the dusty city
Where busy crowds pass by
And where the tall, dark houses
Stand up and hide the sky;
And where through lanes and alleys
No pleasant breezes blow,
Even there, O God our Father,
Thou mak'st the flowers grow.
And whether in the city
Or in the fields they dwell,
Always the same sweet message
The fair, sweet flowers tell.
For they are all so wondrous,
They show Thy power abroad
And they are all so beautiful
They tell Thy love, O God.

**TAYLOR-GIBNEY
NUPTIALS JUNE 12**

Rev. W. H. Burgess officiated at the marriage of Audrey Kathleen, daughter of Mr. and Mrs. Milton Gibney, and Mr. William Huntley Taylor, son of Mrs. Isabelle Taylor, Newmarket, and the late Thos. Taylor, in Mount Albert church on June 12. Before the ceremony which took place in a setting of varicolored iris, red peonies and spiraea, Mrs. Wm. Proctor sang Through All The Years and during the signing of the register, I'll Walk Beside You. Mrs. Ralph Cupples accompanied her at the organ.

The bride was lovely in an ivory satin gown, brocaded with lily of the valley. It was fashioned on princess lines, pointed sleeves and buttoned at the back to the waist. Her embroidered tulle veil was held by a matching sweetheart halo and extended into a slight train. She carried red roses and wore a gold and topaz pendant, the gift of the groom. Mrs. Kenneth Shaw, sister of the bride, in pink sheer, was matron of honor. Miss Doris Wagg, cousin of the bride, in blue sheer, was bridesmaid. Their gowns were similarly fashioned with high necklines, shirred bodices and full skirts. They wore matching sweetheart halos and carried Johanna Hill and talisman roses. The groom was attended by Mr. Milton Wesley, Newmarket, and the ushers were Mr. Cecil Jarvis and Mr. Lorne Gibney.

At the reception which followed on the lawn at the home of the bride's parents, Mrs. Gibney wore a two-piece ensemble of pale blue falconne crepe with white accessories and a corsage of pink carnations. Mrs. Taylor was attired in a black crepe and lace with accents of white and a corsage of white carnations.

The happy couple left for a honeymoon in New York, the bride wearing a black gabardine suit with white accessories and a corsage of red roses. They will live in Newmarket.

**JOHN CURL WEDS
DORIS SHIER**

Sprays of orange blossoms, fern and white peonies provided the setting for the pretty wedding on Saturday afternoon at 3.30 o'clock in Zephyr Presbyterian church of Doris Alma, daughter of Mrs. Shier and the late Robert T. Shier, and John Wilfred Curl, only son of Mr. and Mrs. William Curl. Dr. Lewis Shier, Woodville, officiated assisted by Rev. McMillen, Leaskdale. Miss Lena Lockie presided at the organ and accompanied Miss Olive Meyers as soloist.

The bride, given in marriage by her brother-in-law, Bertram Lockie, wore a slipper satin gown fashioned on semi-Victorian lines with long fitted sleeves and a nylon sheer yoke accentuated by folds of satin forming a rose. Her finger-tip veil was caught from a halo of satin finished gimp. She carried a bridal cascade of white roses. Miss Ina Walker, maid of honor, Miss Gwendolyn Doble, bridesmaid, and Miss Marie Lockie, junior bridesmaid, wore picture gowns of yellow organza over taffeta with matching bonnets and gloves. They carried cascades of Johanna Hill roses and fern. Merton McNelly, brother-in-law of the groom, acted as best man. The ushers were Clarkan Arnold and William Lockie, nephew of the bride.

At the reception in Zephyr hall the bride's mother received wearing a navy crepe ensemble with corsage of talisman roses, assisted by the groom's mother wearing a grey crepe ensemble with a corsage of pink roses.

After the wedding trip to Manitou, for which the bride chose a pale turquoise wool suit with brown accessories, the couple will reside in Willowdale near Toronto.

FAIRBARN - WILLOUGHBY

A quiet wedding was solemnized at the United church manse, Sutton West, when Winnie Willoughby was united in marriage to George M. Fairbairn by Rev. Earl Knechtel. The bride wore a grey wool suit, royal blue hat with matching accessories and a corsage of white and pink carnations. After the marriage the bride and groom left by motor to Ottawa and Algonquin Park.

**Trinity 50-50 Club
Has Twilight Service**

Newmarket—Thirty members of the 50-50 club and their friends gathered Sunday, June 20, at Camp Ahshunyong on Lake Simcoe where they enjoyed a program of interest and fellowship. The bolder swam in Lake Simcoe while others enjoyed a peaceful rest on the banks. To the pooled supper, in more than plentiful supply, was added a note of entertainment with various jet-propelled balloons. Following several games conducted by Archie McKenzie, the twilight vesper service was held on the immediate shoreline under the direction of Doris Proctor and Shirley Geer. The lapping of the waves and the setting sun formed a picturesque background as the voices of those present rose in tune to hymns of evening. A campfire, council ring and sing-song wound up another successful outing of this young business people's group.

**EXTRAORDINARY
INSTITUTE MEETING**

(This is the second half of a report of a meeting of the Bogartown W.I. meeting. The first half dealt with an address by Mrs. Maidstone.)

Then it was my pleasure to introduce our second speaker, Mrs. George Hawtin, England. Mrs. Hawtin—Canadian born—was able to see things from two standpoints, that of her natal land and of the land of her adoption.

What Others Suffer

By the time she ended her talk, I think every member present felt how very little we realize just what our British sisters are going through in their common round. Paper, for instance. Our visitor told us if she didn't take newspapers with her when she went shopping she would carry home whatever she bought — food, clothing, what have you—without any wrapping. Mrs. Hawtin's husband made her a little wheeled carrier and in this she would start home with her groceries. If not covered, everyone would take a peep and question as to its starting point.

She begged us when sending boxes to Britain to try to include fats, tea, not coffee, tinned meats, rice, tapioca, pastry mix and sweets for the children. She asked for shoes, too, for the shoes they get do not last, the soles are like paper, she said. Many people are sleeping on tablecloths for clothes are more important than sheets and points are precious. If your husband needs a suit then he has to borrow a point or two from the family so you can see how restricted clothes are and how precious the boxes of clothing sent abroad can be.

British Institute Meeting

Their Institute meetings, Mrs. Hawtin told us, are conducted differently from the Canadian. They open by singing Jerusalem and they have a guest speaker whom they pay at each meeting. She said she thought it would be well if they followed our example in having members give talks, at least sometimes. Then they have something which she thought we might copy—a sale table at each meeting where you brought whatever you wished to dispose of and a brisk business is carried on.

Mrs. Hawtin told us that in the south of England where she lives, she can have vegetables from her garden all winter, which is an advantage over the north and Scotland. Fruit, too, is plentiful but there is no sub-

stitute for sugar with which to make jams and jellies.

The milk is poor, never any cream and scarce as well. Most people use saccharin in tea and coffee to try to preserve a little sugar to do up fruit.

She told us that after you eat fish six days a week and rabbit 32 weeks in the year, you do not feel any wild urge to keep on eating them. I asked her what whale fat, which they use for cooking, is like. "It spits at you," said she, "also it's odorous—it looks like lard. She said Australia and New Zealand were also generous in food sendings, sometimes a whole cargo of bacon from Australia, which meant a delightful increase in the bacon ration.

When Mrs. Hawtin stopped speaking I think we all felt that our little visit to Britain had opened up new channels of thoughts, as much as we can manage to send of the things we regard as necessities, but which our British sisters look on as luxuries.

Appreciation for Hospitality

I cannot leave this part of my article without a word of appreciation to our Canadian boys as well as American and others during the war. Everyone who enjoyed the hospitality of that home cannot say enough in its praise. Mrs. Hawtin and Mrs. Maidstone received a vote of thanks for talks which will long be remembered.

When Golden Glow was asked to speak, she declined, but said she would tell an amusing little incident. It seems that a lady who knits diamond socks thought she would like to send a pair overseas which she proceeded to do. When the acknowledgement came, besides thanks, it said that they did not know in Britain that we in Canada were so short of wool that we had to use up the odds and ends in this fashion. However, said the writer, I just got a package of black dye and dyed them—and it's all right.

At the close of the meeting a tasty salad plate was set before us accompanied by bread and butter and tea and followed by fancy cake and cookies. How tongues did go. But anyway, that June 15 meeting will be writ large in Bogartown Institute annals.

**To Teach Weaving
In Newmarket**

Newmarket — "Arrangements have been completed for conducting a basic weaving course in Newmarket during the early part of October," reports Mrs. Ted Mitchell, organizer of the local class and president of the Handicraft Group.

In response to a large demand the Ontario Weaving Service, operated under the Provincial Department of Planning and Development, with Joseph Banigan as director, is providing a teaching and advisory service for the promotion of hand weaving in Ontario. Already over 223 weavers have been trained — most of them in outlying parts of the province. Now classes are just starting in London, Bowmanville, and Timmins.

This service is designed to bring supplementary income to homes located for the most part outside the metropolitan or industrial areas and is available to any group of eight to twelve people who request it and are able to provide a room with a floor space of approximately 20' x 30' in which classes can be held. The cost to each pupil for the three weeks' course of about 120 hours of instruction is \$7.50. The greater part of the cost of instruction is borne by the home weaving service which sends out teachers, looms and material. Each class gets also an exhibit which shows what can be done in weaving linen, cotton and wool.

At a later date, after weavers have had an opportunity to make use of the basic course, an advanced course will be made available on similar terms.

Three prospective weavers have enrolled for the October class from Aurora with the remaining ten members of the course from Newmarket.

In Oshawa the weavers have formed a club which they call the "Loom-a-Ties" and many very interesting reports have been received by the headquarters' office, 1118 Bay St., Toronto, from women in remote sections of Ontario who have completed their training period and are now benefitting from their newly acquired skill.

The existing Newmarket Weavers' group has put the community very prominently on the handicraft map of Ontario. They are wished every success in this new venture.

Newmarket — The service of dedication of the memorial in the Veterans' Plot, Newmarket cemetery, was conducted by Rev. Henry Cotton, padre of the Newmarket Veterans' Association through whose efforts the memorial was raised. Mayor Vale paid tribute to the "unswerving loyalty of the veterans towards the memory of their comrades," which had resulted in the memorial.

H. M. Gladman, on behalf of the Newmarket cemetery board, extended a welcome to what he described as one of the largest audiences ever to participate in Decoration Day services. Lieut.-Col. Bert Philp, Ontario president of the Canadian Corps, said that the veterans "can make the kind of Canada they want if they work together."

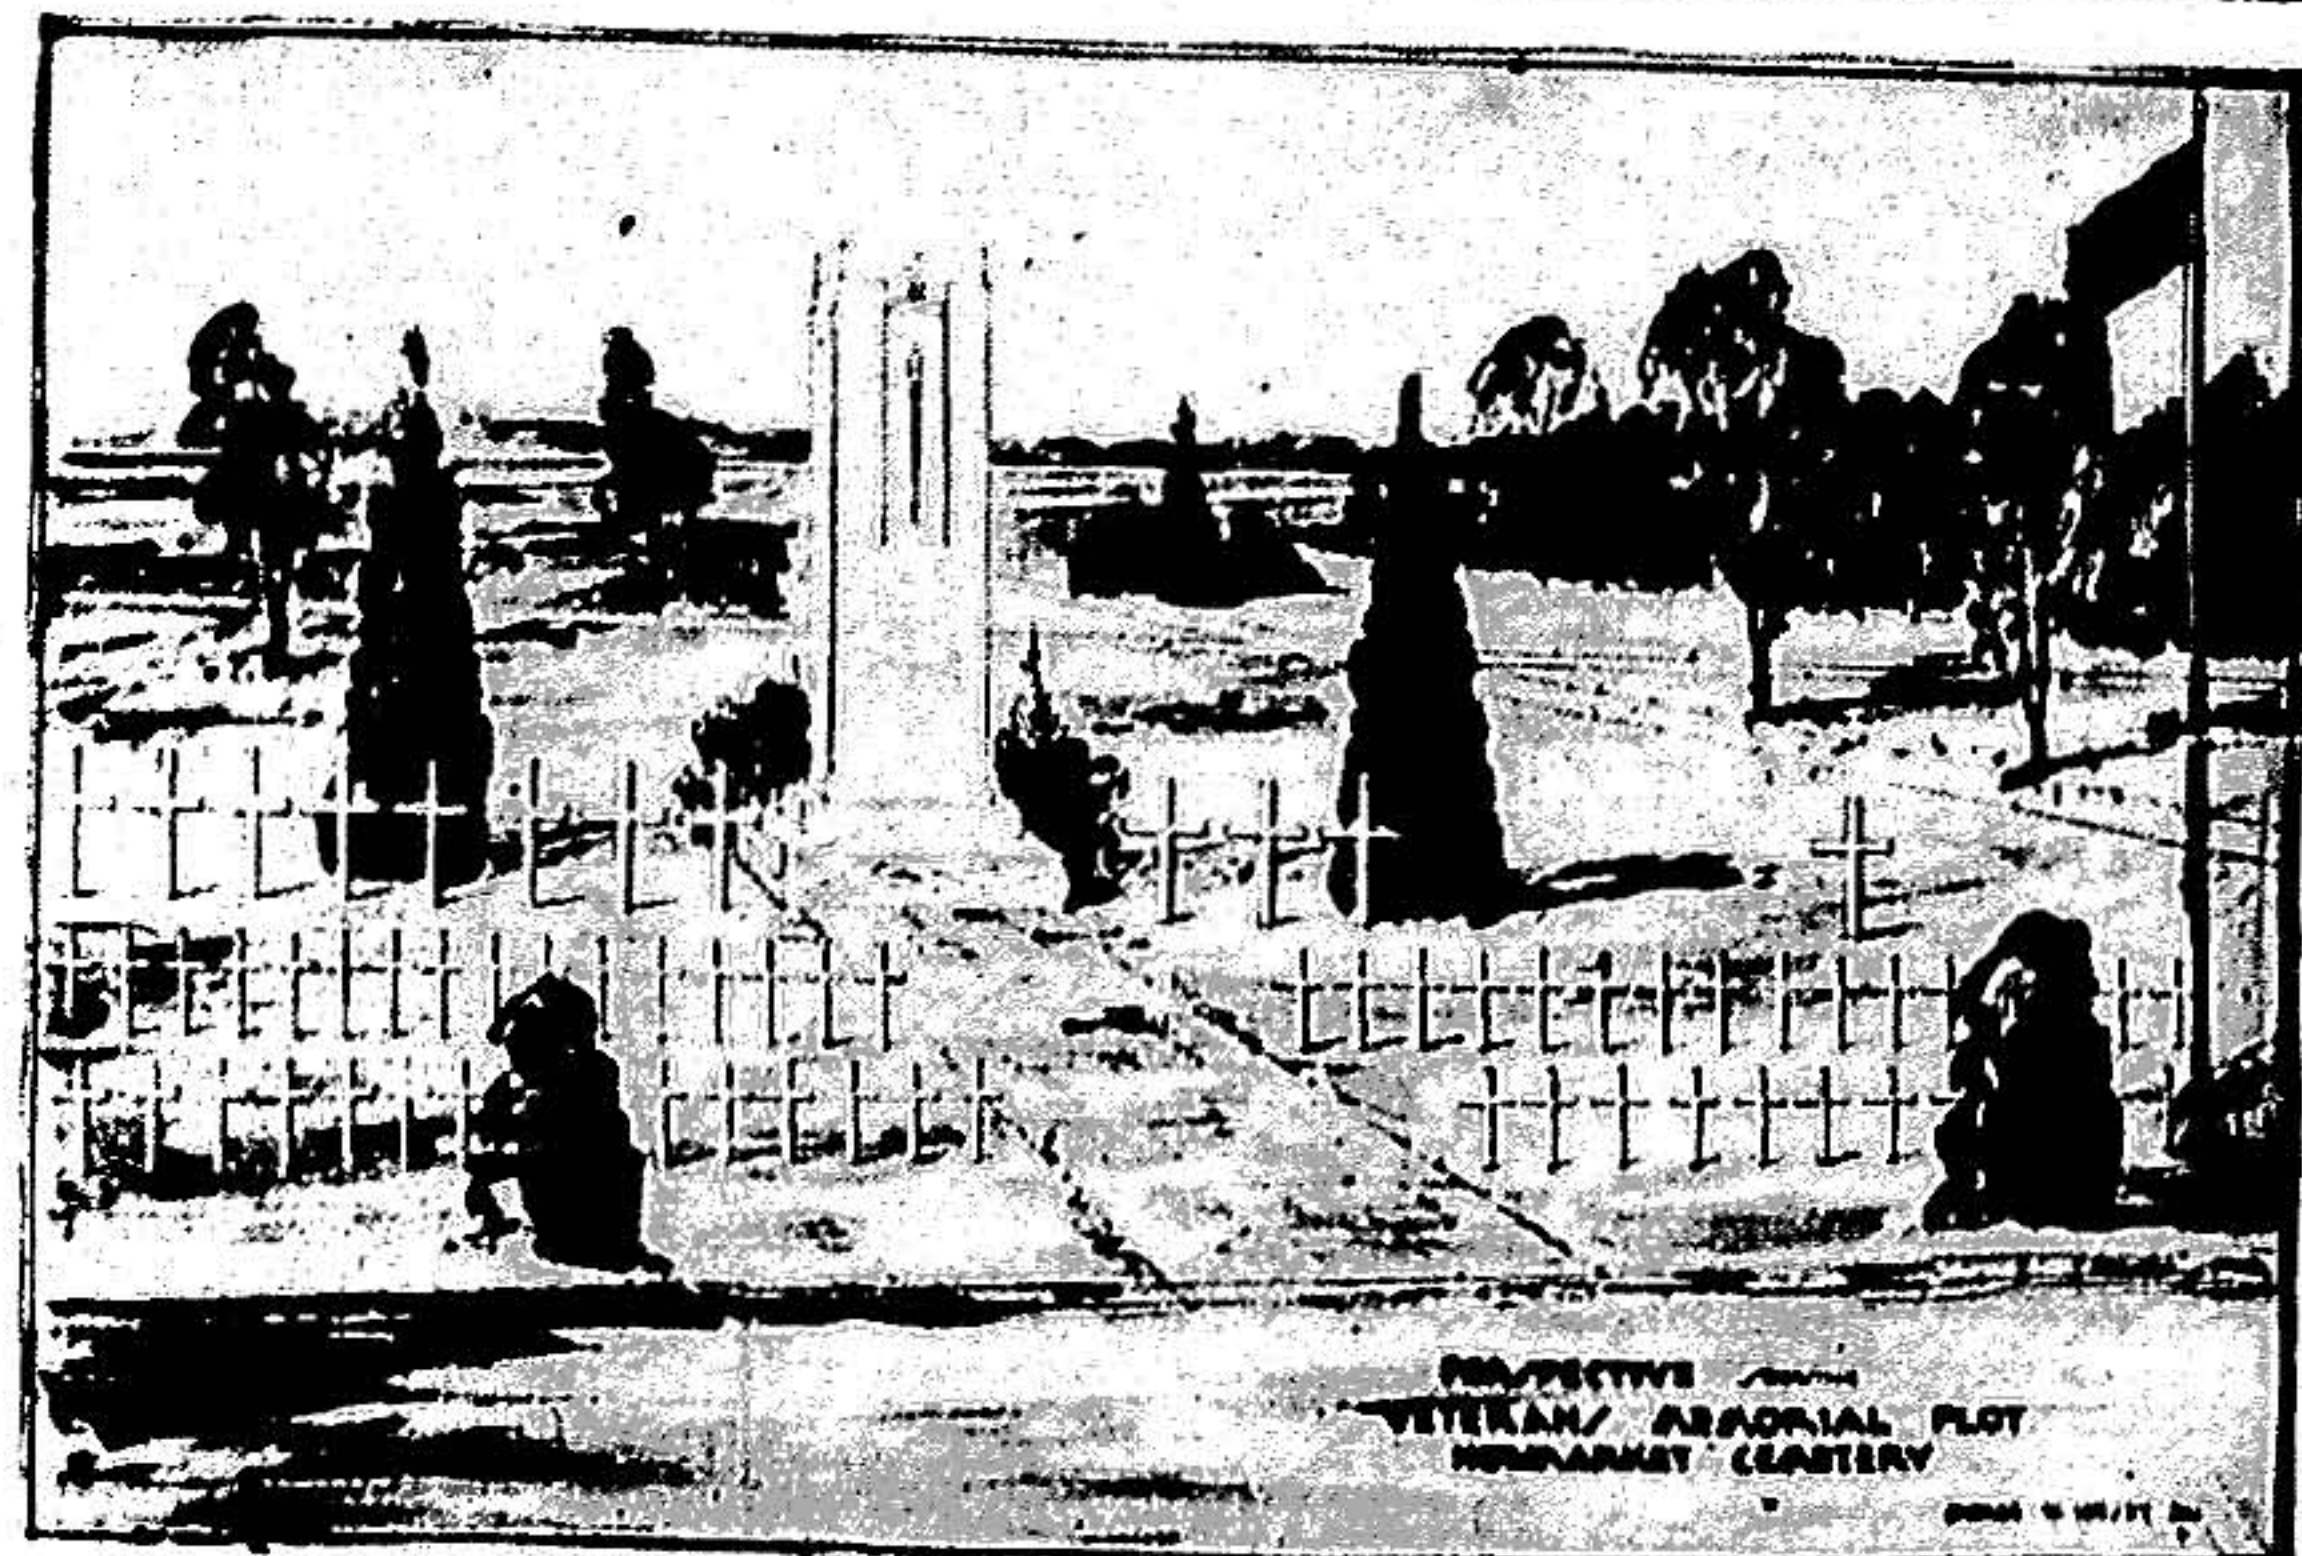

Introduced by Col. Philp, Maj. John Foote, V.C., dedicated the memorial and unveiled it. In his dedication address, he said "nothing great can be accomplished without sacrifice. This memorial is the record of Newmarket's sacrifice in the cause of freedom."

Following the unveiling, there was a two-minute silence followed by Last Post and Reveille. Wreaths were laid on behalf of individuals and town organizations, and the Benediction followed. Music for the service was provided by the 48th Highlanders, the Canadian Corps Kiltie band, Niagara Falls, and the Newmarket Citizens' Band. Over 28 veterans' units took part in the parade as well as representatives of town organizations.

48th Highlanders N.C.O.'s Memorial Guard

Newmarket — The Guard of Honor at the unveiling services for the Veterans' Memorial Decoration Day was made up of men of the 48th Highlanders of Canada. The guard acted as markers on the saluting base and sentries at the cenotaph where the men stood with reversed arms.

G. M. Stephen, R.S.M., Toronto, was in charge, and guard commander Lt. J. A. Cowan was in charge of troop movements. The guard itself was made up of Corporals Armstrong, Clarke, Burt, Parker, Graham, Redford and Lamont, all of Toronto. C.Q.M.S. T. Fullerton was in charge of the sentry post at the saluting base.

NOT WHAT THEY SEEM

Newmarket — Those black buses that the 48th Highlanders Guard of Honor were evoked a lot of sympathy from the crowd as the men lined up in the hot June sun at the Decoration Day service Sunday. They are not as bad as they seem, however. The buses are made of a wire frame and covered with black ostrich plumes. A cleverly contrived opening in the side gives the wearer a bit of ventilation on top. Even so, it was still pretty warm.

Newmarket — Veterans from the United States, from Toronto and from Newmarket and district, men who had fought in three wars, former members of the women's divisions of the armed forces and men who survived Hong Kong and the Japanese prison camps, veterans of officials, town officials, representatives of town organizations, the boys and girls of the Scouts and Guides—all these shared in the making of the largest parade in many years in Newmarket on Decoration Day.

There was the Newmarket Citizens' Band which came second in the Waterloo Music festival last week, the Newmarket Trumpet Band, making its first appearance on parade and looking smart in white shirts and black pants, the 48th Highlanders Pipe Band, swinging along to the immortal music of the pipes, the Niagara Falls Kiltie band, the same band that ranked so high in international competition last year, and with its young drum majorette, and a Boy Scout bugle band from Toronto.

Marching in the ranks were members of the fire brigade, the town council and the Lions club. There were 29 veterans' units as well as the Newmarket Boy Scouts and Cubs and the Girl Guides and Brownies.

Units taking part in the parade were the Canadian Corps board of directors, Canadian Corps color party, Newmarket branch of the Canadian Legion, Canadian Legion color party, representatives from Bradford unit of the Canadian Corps, Sutton-Legion and Stouffville Legion, Unit No. 1, Niagara Falls, New York, Unit 93, St. Catharines, Unit Services Branch, Imperial Veterans' Association, 10th Canadian Infantry Bn., Canadian Active Service Force, Toronto Empire Veterans of South Africa Inc., representatives of the R.C.A.F. W.D.'s and the C.W.A.C., first Canadian Mounted Rifles, Unit 44, Thorold, Princess Patricia Canadian Light Infantry, Canadian Machine Gun Corps, LaSalle Post, American Legion, Hong Kong veterans, Guard of Honor, 48th Highlanders and individual district veterans.

Following the service at the cemetery, the parade was dismissed at the arena where the Newmarket Veterans' Association were hosts to the visitors.

Decoration Day Units Pay Own Expenses

Newmarket — Pointing out that all the units participating in the Decoration Day parade from out of town had come at their own expense, Douglas May, president of the Newmarket Veterans' Association, expressed his personal gratitude and that of the Newmarket Veterans to those who marched.

"It was a fine tribute to the loyalty that binds comrades of both wars, a loyalty which has carried over into civilian life," he said. "The thanks of the citizens of Newmarket and the Newmarket Veterans' Association go to the visiting veterans and all those who made the parade and service possible."

SPIRIT OF CO-OPERATION

Newmarket — Indicative of the spirit of co-operation which helped make Decoration Day the success it was, was the assistance of Parade Marshal Lieut.-Col. B. K. Snider, Oakville and Adjutant Jack Benton, Clarkson. Both men made the trip to Newmarket twice before the parade at their own expense to arrange final details. Jack MacDonald, Newmarket, was parade regimental sergeant-major.

CARRY COLORS

Newmarket — Carrying colors in the parade to the unveiling of the Newmarket veterans' memorial on Sunday were two sister war brides, Mrs. Paul Toby and Mrs. Wesley Toby. Their husbands are twins, one of whom, Paul, also carried colors.

Newmarket Veterans In Pilgrimage

Newmarket — Thirty-five Newmarket veterans, members of the Newmarket Veterans' Association, joined in the annual Pilgrimage of the Canadian Corps Saturday at Niagara Falls where they crossed the border to pay tribute to their fallen comrades of the neighboring country.

Led by Douglas May, president of the Newmarket Association, the Newmarket group marched across the Niagara River to participate in ceremonies at the cenotaph at Niagara Falls, New York. Reeve Arthur Evans placed a wreath on behalf of the town of Newmarket. Bert Ward placed a wreath on

behalf of the Newmarket Veterans' Association. Comrades Alf. Elphinstone and Sid. Brice carried the colors in the parade which lasted over two hours. The American Corps greeted the Canadian Corps on the Lower Bridge and after a brief ceremony escorted the parade through the streets of Niagara Falls, N.Y.

sentence. He was convicted of taking several articles from merchants in Sutton June 15, including three skirts, a shirt, bathing suit, socks, flashlight, pr. of scissors, butcher knife, shoes and other women's clothing from Edgar Brooks, Frank Culverwell, George Holborn and William Park. The accused said he had been drinking with his aunt in a beverage room in Sutton. He said he took the articles afterwards but didn't know what he was doing.

Minimum fines of \$10 and costs for having liquor in illegal places were paid by Hugh Smith, Oshawa, Earl C. Lapell, Toronto, Clark Graham, Mount Albert, Albert J. Andrews, at Musselman's Lake, Allan O'Brien at Wilcox Lake and Daniel A. Baker at Musselman's Lake. W. W. Harrigan, Mimico, was fined \$15.75 for drinking beer by the shore at Musselman's Lake.

Gordon McKay, a store keeper at Willow Beach, was fined \$75 and costs with suspension of his driver's license for six months after being convicted of careless driving on the Newmarket-Sutton highway. Constable said he found the accused's car against a store front the night of June 11. Marks on the road showed he travelled over 100 ft. on the wrong side of the road before hitting the store. He had been drinking, according to Constable Hill.

MAGISTRATE'S COURT

17-Year-Old Convicted On Robbery Counts

Newmarket — Alvin Wolfe Johnson, 17, Wilcox Lake, was convicted on two of three charges laid against him June 3 in magistrate's court on Friday. He was convicted of pointing a loaded revolver at Irwin Cornfield, a Toronto taxi driver, and of forcibly seizing Cornfield. The third charge, attempting to rob while armed, was dismissed. Jos. Vale was voluntary counsel for the defence. Sentence will be pronounced next week.

Cornfield, a driver for Crown Taxi, Toronto, testified that he picked up Johnson in the city to drive him to Newmarket. It was at the north end of Newmarket that Johnson took out a gun, according to Cornfield.

"He was sitting beside me; he pulled a gun on me and said 'this gun says we're going to Sutton'. The gun was in his lap pointing at me," stated Cornfield.

"We went through the back roads, came out at Queensville with Johnson directing me; we ended up at the outskirts of Baldwin. We turned up a side road and stopped and he got out and walked over by a fence. I went back to Baldwin," Cornfield related.

Detective Wm. Martindale, York County police, read a statement signed by the accused in a Toronto station and said that on investigation of Johnson's home, found three toy guns. Later the accused showed him where he threw away a revolver, in parts, two and a half miles from the house. Martindale said part of the gun was found.

Asking for a dismissal on the armed robbery charge, Mr. Vale said he didn't see how there was any evidence put forth by the crown or any ingredient to charge the completed action of armed robbery. Magistrate Hollinrake said that the evidence did not warrant a conviction and dismissed it.

Testify To Good Character

The two other convictions were made on the same evidence given on this charge. Mrs. Johnson, mother of the accused, Mrs. Jenny Wilkins and Mrs. Iris Joyce, neighbors, all testified that Johnson had always been polite, quiet, honest and did not drink or "run around". Mrs. Johnson said he was clever and "was fond of cowboys and cowboy suits" as well as guns.

"I didn't know Johnson," said Mr. Vale. "A couple of weeks ago he came here without a lawyer and I have defended him on my own accord," he said. Counsel suggested that the offence might not be as bad as it appeared on the surface.

Magistrate Hollinrake thanked the counsel and said the court knew that the accused had been fully represented with a defence so ably carried out.

A sentence of 18 months was set for Ray Innes, 27, Durham, convicted of breaking and entering the residence of Dr. K. S. Mackenzie at Schomberg. Sgt. Sidney Barraclough, Richmond Hill, said the house was left in disorder and a radio was taken. The accused pleaded guilty. His record consisted of six months for theft last fall, three months for theft in North Bay in 1946 and convictions before that. "Apparently the accused has had no benefit from light sentences," said the magistrate.

A 18-year-old Indian boy was convicted of taking a car belonging to G. Harris, Toronto, at Lake Simcoe, 6 a.m., June 19. This charge was not laid under the usual section of the Criminal Code and Magistrate Hollinrake gave a suspended sentence with probation of two years. The magistrate asked the youth to promise not to drink, as he had admitted drinking at night before he took the car. Constable William Hill, Sutton, who laid the charge, said his employer would take him back again. Harris, owner of the car, a 1947 Buick convertible, said there was about \$300 damage. It was found on the Hedge road by Constable Hill. Harris said he felt it was partly his fault for leaving the ignition switch unlocked. It was the accused's first offence.

"Didn't know what he was doing." Another 18-year-old first offender was given a suspended

Dogs Raid Four Sheep Folds

Spring lamb may be catching the fancy of dogs in Whitechurch since no less than four claims for sheep killed by dogs was presented to Whitechurch council June 19. Fortunately none of the attacks were of serious proportions. Wilmo Brown, George Drewery and Chas. Dennis each were compensated for one animal killed at \$10, and \$12 each, and James Rae was paid \$25 for two. Elmer Wells was awarded \$5 for killing one dog making an attack.

Mr. Vern Davies appealed to council to provide more police protection at Musselman's. Council had been considering increasing the summer force, and advised Mr. Davies that the matter would have attention.

Two applications were filed for the right to open a riding school in the municipality. In the one instance council refused a license on the ground of location, and in the case of Martin Boyd, a license was granted with the understanding that routes for riding would by-pass township roads where riders would present a danger to travelling motorists and to the riders themselves.

Milton Fockler's tender for dumping privileges was accepted at \$100 per year. A similar dumping place is being sought near Wilcox Lake for the west side. Mr. Fockler's dump will serve the central and easterly side of the township. The owner will supervise the dump, and its opening should eliminate the growing nuisance of persons dropping refuse on the roadside in bags, cartons, and parcels which is illegal.

The council decided to institute the cash basis for indigent persons. Heretofore the voucher system has been in use, but it entails endless work, and accomplishes little good over the cash basis of relief. Relief for last month totalled \$103.

Ben Langley and Ernest Smith appealed to council not to abandon the Game Reserve set-up, and Dr. F. Van Nostrand suggested that the system of a "light game reserve" be adopted in the central part of the township. There will be a meeting of the game wardens on June 22 to discuss the issue, hence no action was taken.

Reeve L. P. Evans presided over the meeting, and members present were Deputy-Reeve E. Logan and Councillors Fred Timbers and Ivan McLaughlin. Councillor Harper was unavoidably absent.

EVERYBODY'S BUSINESS by Don Graham

It's only human to hope for our heart's desires to come true in the future. But too much anticipation can be a hindrance to success and happiness. Carried to extremes, it can even produce a feeling of frustration.

For one thing, "living in the future" blinds us to the many enjoyable things in life that each day brings. Too easily we overlook the deep and real satisfactions to be found in a lovely day, a good friend, a tasty meal, a job well done.

Excess anticipation also leads to perpetual daydreaming. And daydreaming is fatal to achievement. Worse, it encourages the possibility of bitter disappointments.

However, I do believe one should always be hopeful — and whenever possible take practical steps to make any reasonable dream or ambition come true.

The most practical way to provide for your own and your family's future is through life insurance. It offers a safeguard against unforeseen emergencies, and helps make your dreams of comfort in retirement and other plans to come true.

NEW COACH STOP

Newmarket — A letter from Gray Coach Lines was read at council on Monday night asking permission to load buses in front of the King George hotel at 6.55 a.m. and 5.10 p.m. daily except Saturday and Sunday. The council left the decision to the police.

QUEENSVILLE

Mrs. Thornton Prosser, Toronto, and Mrs. Elmer Hamilton, Sutton West, visited the home of their sister, Mrs. Angus Smith, on Sunday.

School Sports Day was a splendid success on Thursday afternoon last week. The children enjoyed contests and free treats, a tug-of-war and ball games between schools.

Deep sympathy is extended to Mrs. Roy Arnold and family in the loss of a husband and father.

Decorating has greatly improved the house of Mr. Byron Aylward on the corner.

Congratulations to Mr. and Mrs. Sydney Milne who were married Saturday.

Mrs. Alexander Milne has been visiting for several days in Lindsay.

Master Bud and Miss Patty Ray Donnell have been visiting their grandmother, Mrs. Frank Kavanagh.

The Queensville charge of the United church of Canada will hold their induction service for Rev. E. V. Warren on Friday, July 2, at 8 p.m. in Queensville United church.

Mrs. Stallibrass, accompanied by Percy James and Lillian and Elmer Johnston, attended the graduation last Thursday of her niece, Miss Mary Mills, at Collingwood hospital. Miss Mills received her diploma and pin, also a gold medal for general proficiency and a number of other lovely gifts.

Does a Mother need insurance?

Unless a husband and father is very well-to-do his wife should have her own insurance policy. If a mother dies when there are no funds available to pay a housekeeper, the home may be broken up and the children put out for adoption or sent to relatives. The answer is, "Yes, a mother needs life insurance." Make an appointment to talk things over with a Mutual Life of Canada representative today.

MAPLE GIRL WEDS

W. J. SUMMERS

A pretty wedding was held June 19 at St. Andrew's Presbyterian church, Aurora, when Evelyn, daughter of Mr. and Mrs. George Miller, Maple, became the bride of William Jas. Summers, son of Mr. and Mrs. William Summers, Aurora. Rev. Dr. Orr Mulligan performed the ceremony. Miss Marjorie Andrews presided at the organ.

Given in marriage by her father, the bride looked lovely in a white satin gown with shoulder-length veil. She wore a string of pearls, the gift of the groom, and carried a bouquet of American beauty roses. Miss Margaret Margerson, maid of honor, had chosen a rose taffeta gown with flowered headpiece. Miss Isabel Miller was bridesmaid and wore a pale blue taffeta gown with flowered headpiece. Both carried arm bouquets of tulleman roses.

Mr. Charles Southwood was best man and the ushers were John Summers and Bernard Miller. The reception was held on the church lawn, the groom's mother receiving in a grey figured crepe gown with white hat and white accessories. DORIS NEWTON
WED IN TORONTO

White carnations, pink peonies and tulips decorated the altar of Holy Family Roman Catholic church, Toronto, June 19 when Doris Patricia, daughter of Mr. Garfield Newton, Newmarket, and the late Mrs. Zita Newton, became the bride of Sgt. The bride, given away by her father, wore a gown of white brocade satin with fitted bodice, high neck-line, full-length sleeves gathered into a deep bracelet cuff, and full skirt. Her full-length applied veil was held by a matching headpiece. She carried a pearl rosary and a bouquet of red roses and white sweetpeas.

Rosemary Jordan, sister of the groom, acted as bridesmaid, wearing a gown of pale mauve brocade satin, fitted bodice, puff sleeves, with long full skirt of double net over satin. Her shoulder-length veil was held by a bandeau of violets. She carried a bouquet of yellow roses and mauve sweetpeas. James Jordan was his brother's best man.

By DOROTHY MUIR BOWMAN

(This is the third and final installment of Bob's story. Bob is the lad of 17 who, despite his very low mental rating, received sufficient individual training during two years spent in an opportunity class, to enable him to become a self-supporting, self-respecting and happy member of his community. His story is a credit to honest-living, Christian thinking and community-minded individuals.)

After Bob's school training in the opportunity class ended at the age of 16, he was ready and willing to work for a living. He needed and wanted a job in order to take his rightful place in his community. The two years of training toward good citizenship and the experiences he had enjoyed in gardening during his two years in the opportunity class enabled him to prove to his teacher, to his family and to himself that he was capable of earning an honest living as a gardener — under kindly and otherwise proper supervision.

However, to persuade a perfect stranger to employ Bob wasn't a simple task. No employer wanted to be bothered with him—mainly because his speech was rather incoherent at times. Finally, a neighbor took an interest in Bob and introduced him to the superintendent of a nursery. It happened that the working crew was short-handed so Bob was accepted "on trial" for one month.

Long before Bob's trial period expired, his work and general attitude had sold him permanently to his employer. Bob was happy and satisfied with any job he was given to do—so was imposed on by some members of the working crew. Nevertheless, the approval he received from head office compensated for any injustices that came his way. During the year many changes were made in the system of the company. Bob became an integral part of the company—mainly because he could be depended upon. His honesty and faithfulness to his employer proved such a good influence to new help that he was rewarded with extra pay and named working manager of all new members of the working crew.

Dissatisfaction among the laborers is gradually diminishing and as a result, loss of money and working hours due to strikes and changes in crew has greatly decreased.

Bob's success story wouldn't have been possible without the special training he received in an opportunity class. Although such training is a little added expense at the time—when it is a means of future independence for an otherwise helpless individual—it isn't simply a humane gesture on the part of the taxpayer, it is a "must" in any community.

W.C.T.U. PRESENTS PRIZES

Newmarket—On June 25, in Miss Denne's room at the Stuart Scott school, equal prizes were presented by the Newmarket W.C.T.U. to Elaine Taylor and Betty Armstrong, and 44 certificates were given. As Mrs. J. A. Maitland, superintendent of Temperance in day schools, was unable to be present, Miss L. Starr, secretary, made the presentation.

The W.C.T.U. expressed gratitude to Miss Denne for her cooperation in teaching the W.C.T.U. study course and regret that the teachers of grade seven and grade eight in the King George and the Alexander Muir schools were unable to complete the course.

ST. ANDREW'S PICNIC

Newmarket — St. Andrew's Presbyterian church held their annual Sunday-school and congregational picnic June 19 at Musselman's Lake. There was a large group present for the basket picnic. Len Little, in charge of the event, had a busy time with the many arrangements. Games and races, handled by Marlene Boudreau and Mary Lou Little, proved popular with all age groups and the picnic was a great success.

ENTERTAINS AT SHOWER

Newmarket—Miss Jean Duncan entertained at a miscellaneous shower in honor of her cousin, Miss Phyllis Osborne, a bride-to-be. The bride received many lovely gifts.

To read or not to read...

That is the question the middle-aged person wonders about. The problem becomes more serious with the years. Soon it seems it will be "not to read". No one wants that to happen. So someone is consulted who supplies "ability to read" then the question is answered. We have a satisfactory reading service, also give a thorough examination of the eyes and supply only Correctal wide vision lenses.

A short program of community singing, selections by the male quartet, solo by Mrs. D. Stiver, reading by Miss Florence Harrison and solo by Mr. Allison was given. Lunch was served and a social time was enjoyed by all.
